Hayden Peak Elementary

December 2018

As we begin our holiday season, we are grateful for the students, families, faculty and staff at Hayden Peak Elementary! We are truly blessed to be a part of this amazing community. Have a safe and joyous holiday season!

Boundary Update and Permits for 2019-20

The Jordan School District Board of Education has determined that the boundaries for Hayden Peak Elementary will remain the same for the 2019-20 school year. The Board of Education has also made changes to our school choice permit process. As part of this change, all Jordan District schools are required to revoke permits to 90% of school capacity. At Hayden Peak there will be approximately 85 permits revoked for the 2019-20 school year. Families have been notified if their permits have been revoked. Those families wishing to attend Hayden Peak on permit for the 2019-20 school year will need to apply online for a permit.

If you would like to request a permit for your child to attend a school other than their boundary school, please click the link below.

As a reminder, permit applications submitted during the month of December will not be approved on a first-come, first-served basis but will be approved according to the Board priorities, which are posted at boundary.jordandistrict.org

SPOTLIGHT! After School Activities

Hayden Peak Elementary offers many opportunities for our students to expand and share their talents in after school programs. Over the next few months, we will spotlight each of the programs and how your child can participate. This month we are spotlighting the DANCE CLUB.

The dance club provides an opportunity for your student to learn different dances, cooperation, and teamwork. They meet twice a month on Thursday afternoons after school for 30 minutes. Please contact the school for more information on how your student can participate.

We wish you all a joyous holiday.
