

# HAYDEN PEAK ELEMENTARY NEWSLETTER

January 2018

## WELCOME BACK!

We hope you and your family enjoyed the holidays and were able to spend time together enjoying family and friends!

January brings cold and stormy weather. Please prepare your children to be outside before school and at recess by dressing them in warm coats, gloves, hats, and boots.

Students will be kept inside when the temperature is 20 degrees or below (including the wind chill factor), on unhealthy air days, or individual extenuating circumstances.

We look forward to a wonderful 2018 with the students, faculty, and parents at Hayden Peak ! Please let us know how we can serve you.

David Butler, Principal

Theresa Christensen, Asst. Principal

## EXCITING OPPORTUNITY FOR PRESCHOOLERS!

If your child is or will be four years old this year, UPSTART, is a **FREE** preschool program that will prepare him or her for kindergarten in just **15 minutes a day, 5 days a week!**

Children start using the program at home immediately. UPSTART is designed for very young children. Each child moves through a personalized learning path that is designed to meet his or her skills and needs.

Pre-registration is now available at <http://www.waterfordupstart.org/>
