January 2019

Dear Parents,

It is important that we obtain an accurate list of all children qualifying for kindergarten in the Jordan School District for the 2019-2020 school year. If you have a child that will be five years of age on or before September 1, 2019, the child qualifies for next year's kindergarten program. State law requires that all school districts in Utah abide by the same September 1st entrance cut-off date. You will be required, before school starts, to bring the child's immunization record and an original certified birth certificate (not a photocopy) to the school.

Enrollment will begin online on Monday, January 7, 2019.

- Please log on to planning.jordandistrict.org/enrollment and scroll down to "New Student Enrollment".
- Choose either "Temporary Account for New Student Enrollment" if you are new to the district, or "New Student Enrollment" if you already have a Skyward account.
- Fill out the enrollment information. Please enter the child's full name as it appears on the birth certificate.
- After "Step #4", be sure to submit the application.

In order to get a preliminary count for the new school year we ask that you please complete the information online by Friday, January 18, 2019.

An informational kindergarten orientation meeting for parents and prospective kindergarten students will be held on Friday, March 22, 2019 at 2:00 p.m. in our gym. At this meeting you will receive, among other things, health forms and an immunization form for your doctor to complete.

If you know of a neighbor that has a qualifying kindergarten child, please share this information with them and encourage them to log on and register their kindergarten child.

Sincerely,

David Butler
