Community news

Hayden Peak Harmony Choir had the opportunity to sing at the Utah State Capitol for Educator Day on Friday, February 23. It was well worth the snowy bus ride as the students sang their hearts out. We are so proud to have these amazing and talented students represent Hayden Peak Elementary! Thank you to our wonderful parent volunteers who make our choir possible.

Test Taking Tips

Give your child a chance to practice

If your child has trouble taking tests, try practicing test questions and studying new words. Your child's teacher or the library may have some samples to use.

Make sure your child gets a good night's sleep and eats a healthy breakfast

Many teachers report that students who don't do well on tests haven't gotten enough sleep, and haven't eaten breakfast on the morning of the test. Doing both of these things will ensure that your child is working at full capacity.

Remain positive

Staying calm will help your child stay calm. If he or she gets nervous about the test or is likely to experience anxiety during the test, help him or her practice some relaxation techniques that he or she can try once he or she's taking the test.
