

## Principal Newsletter December 2017

Our school year is really flying by! We are closing in on the end of 2017 and look forward to new adventures and learning in 2018!

We have been blessed with mild fall weather and we are gearing up for colder winter weather. As the weather changes, please remember to have your students dress for the cold. Coats, hats, and gloves will ensure they are warm in the mornings and at recess time. Students will be outside in the morning and at recess as the temperature (20 degrees or above), weather, and air quality permit. Please remember to have your child's name in coats, gloves, and hats.

A special thank you to all who attended our parent teacher conferences. Wonderful conversations and progress was shared by students and teachers. Also, a thank you to all of our teachers and students who participated in the amazing Veteran's Day program--it was enjoyed by all who attended and our veterans loved the recognition!

Back in spring, our community came together for Comcast Cares Day and spent the day cleaning and planting. Hayden Peak was recently named Comcast's Outstanding Partner of the Year for 2017 and received an additional \$5,000, making a total of \$19,196. Hayden Peak will receive \$12,500 directly for our school while the other \$6,696 will be used for classroom grants through the Jordan Education Foundation. Thank you to all who participated in Comcast Cares Day!

December is a busy month filled with fun and learning. Here is a quick look at upcoming events:

December 4	PTA Holiday Boutique and Family Movie Night
December 7	Art talks by The Springville Art Museum for grades 3-6
December 8	Kindergarten Holiday performances at 9:00 and 11:25
December 11	Harmony Choir performance at 6:00

We have an incredible community at Hayden Peak and we appreciate all of the support of our parents, faculty, and staff in ensuring that our students are learning and growing every day!

David Butler, Principal  
Theresa Christensen, Assistant Principal
