

SCC Meeting February 5, 2016

Attendees:

Tina Lyon: SCC President (ttlyon44@gmail.com)

David Butler: Principal (david.butler@jordandistrict.org)

Amy Adams: Vice Principal (amy.adams@jordandistrict.org)

Jason Wiersdorf: SCC Parent Member (Jason.wiersdorf@merit.com)

Leslee McGee: Substitute for Greg Hoch (Secretary) (ghoch@varsityfs.com)

Sarah Hatch: PTA President (shatch79@yahoo.com)

Melissa Hoch: Vice Chair Parent Member (melissahoch1@yahoo.com) Ann

Robbins: 2nd Grade Teacher (ann.robbins@jordandistrict.org)

- Next meeting April 15 (Land Trust Plan)
- SNAP (Student Neighborhood Access Program)
 - See attached SNAP Plan
 - Path between school and church (to the south) has not been plowed. City needs to be notified.
 - Issue/Concern #1 is highest priority. 24 kids from Hayden Peak need to cross at 7800S and 4800W. Mr. Butler will talk with city and expects the city will need to watch 7800S and 4800W to see how many of 24 kids cross.
 - Drop off / Pick up traffic is an ongoing issue with no clear solutions. We may need a fixed spot for the day-care buses.
 - Is there a way we can promote car pooling? Consider a sign at drop off pick up locations promoting car pooling.
- Motion to approve the SNAP by Ann Robbins, 2nd by Jason Wiersdorf
- Baracade Art: Will be done in the Spring per Art teacher's schedule.
- Rules of Order and Procedure: See attached.
- Movement to approve Rules of Order and Procedure:
- 22 Degrees F and Higher (with wind chill) kids will be outside.
 - Suggestion was made to swap lost and found clothes with another school instead of donating to Deseret Industries and use those clothes to give to kids in need (such as a coat on cold days). Swap with other school is to prevent recognition of donated clothes.
 - Keeping kids outside at beginning of day promotes parents to drop off kids a little later.
 - All SCC in attendance agreed 22 Degrees F is appropriate.
- Any input on Bench mark testing awards.
 - There are a lot of awards for reinforcing behavior, but not as many awards for awarding academic performance. Students scoring of 80% or higher on any one of three tests can receive an award. They may also receive an award for 20% improvement in one area.
 - Hayden Peak has lower scores compared to other schools of the same socio economic status. How can we improve? Attendance is believed to be one of the higher reasons.

Rules of Order and Procedure

To promote ethical behavior and civil discourse each council member shall:

- Attend council meetings on time and prepared
- Make decisions with the needs of students as the main objective
- Listen to and value diverse opinions
- Act with integrity

Rules of Procedure:

- All meetings are open to the public and the public is welcome to attend.
- The agenda of each upcoming meeting as well as draft minutes of the prior meeting will be made available to all council members and the public (via the school website) one week in advance.
- Meeting minutes will be kept and approved via email or at the next scheduled meeting.
- The chair or a co-chair conducts the meetings, makes assignments and requests reports on assignments. In the absence of the chair or co-chair, the vice-chair or other co-chair shall conduct meetings.
- Items on the agenda take priority over other discussions coming before the council. Action of the council will be taken by motions and voting. The motions and voting are recorded in the minutes.
- At the initiation of each school year the council will prepare a timeline for the school year that includes meetings, critical tasks and due dates. The timeline may be modified as agreed upon and included with meeting minutes.
- Any council member not attending at least 60% of meetings may be removed from the council.
- Meetings shall be conducted and action taken according to simplified rules of parliamentary procedure. A motion (or an action to be taken by the council) is stated as a motion. Someone else on the council “seconds” the motion indicating that at least one other person on the council feels the motion is worthy of discussion. Then the council members may provide input and discussion as called upon by the chair. When discussion seems complete the chair may call for a vote on the motion. Or when a member of the council “calls the previous question” (a motion to end discussion of the first motion), a second is required and then, without discussion the chair calls for a vote that must pass by 2/3. If the vote on the previous question fails the council goes back to discussing the first motion. If the motion to call the previous question passes, the chair directly calls for a vote on the first motion. A vote to call the previous question is usually used to move business along.
