  - Achieved 46% proficiency (goal was 48%) for language arts
  - DIBELS in lower grades could use improvement
- Teacher Requests
  - Requests for SCC funds came in from 6<sup>th</sup>, 4<sup>th</sup>, 3<sup>rd</sup>, 2<sup>nd</sup> grade and KG; included books, curriculum, computers and subscriptions (magazine). Total amount was \$2075. Voting was unanimous to approve funding for all teacher requests, with the exception of books. It was decided the books are better acquired through other resources (such as book fair points).
- Fundraiser Update
  - ~\$5020 raised so far, with a ~\$2400 investment for the Crazy Bread cards
  - Voting was unanimous to approve giving each of the teachers a free Crazy Bread card to show appreciation for their great work and efforts.
- Other
  - Struggling to maintain sufficient i-ready hours to keep the grants. It was suggested to send additional i-ready information home with students to increase home use of i-ready.
  - Additional computers would be useful for various reasons (including for i-ready).
