

MEETING MINUTES

HAYDEN PEAK SCHOOL COMMUNITY COUNCIL

Date:	January 5, 2024
Time:	7:30 am
Meeting called to order by:	Bruce Collins

IN ATTENDANCE

Bruce Collins, Maggie Blau, Liz Johnson, Christine Bay, Amy Warfield, Rachel Pehrson, Jennifer Fisher, Jennifer Murphy

APPROVAL OF MINUTES

Minutes from the previous meeting were approved online.

EMERGENCY PROTOCOLS

Emergency lockdown drill protocols were updated by the district and shared. The information will also be shared with families. The Church behind the school would serve as the evacuation site. Notification of an emergency situation is sent to families via the information listed in Skyward.

SAFE WALKING ROUTE

Each route was reviewed and minor changes were noted for submitting the plan. The crossing guard at 7800 S & 4800 W is on duty from 3:15-3:45 PM. Another count of students using this crossing is being done in January. There was discussion about getting another count in April during good weather. No guard has been at Clay Hollow Ave & Grizzly Way, but it's marked on the map. That will be removed when submitting the plan. Route #3 could be affected as construction begins in the field east of the school. A request to have the city provide notice to the school about construction plans will be submitted with the route plan. It was discussed to have students use the walking path further south once construction begins. The route was approved by all in attendance.

FUNDRAISING

The question was raised again about if SCC will do a fundraiser this year. Members decided to brainstorm and share ideas via email.

NEXT MEETING

Meeting was adjourned at 8:30. Next meeting will be held mid-March.
