### May 12, 2020

Dear Parents,

Thank you so much for all your hard work and support over the last few months while we have been participating in online learning. Thank you for supporting your children, your teachers and our school. We miss you all so much! Here is important information for the end of our school year.

Mrs. Ford

### Last Day of School – June 5, 2020

The last day of school is Friday, June 5, 2020. May 22, 2020 is the last day teachers will assign *new* work. School activities will continue virtually through June 5, 2020. Activities may include, but are not limited to, completion of missing assignments, online enrichment activities, reviews, and electronic meetings with teachers.

### Kindergarten Registration

- Please register online if you will have a kindergarten student for next year or a new student. You will find a link on the main page of our website that will provide you with registration and orientation information or click here:

### 6<sup>th</sup> Grade

We will miss our 6<sup>th</sup> grade students so much when they leave us this year! We know there are many traditions for 6<sup>th</sup> graders at the end of their year and our 6<sup>th</sup> grade teachers and school have been working hard to find alternative activities for them. 6<sup>th</sup> graders are still holding their Color Wars this year – but doing it virtually. It is going well! The 6<sup>th</sup> grade team and the school are also putting together a special memento for them that will be given out at the end of the year. We love them so much!!!

### Elementary School Grading

- Report cards will still be issued this year. Because teachers have focused on essential standards, some standards listed on the report card may not be covered.
- If enough evidence of student learning has not been gathered for a particular standard, that standard may be left blank on the report card.
- Grades will not be reduced for the last grading period.
- Citizenship grades will not be recorded for the last grading period.
- If you have any questions or concerns about grades please feel free to contact your child's teacher or Miss Fisher.

## Report Cards

1. The school will print report cards for students and they will be included with their belongings when you come to drop off/pick up.
2. Parents will be able to print report cards at the end of the year starting on or after June 12, 2020 through Skyward. If you are having trouble printing them please call our school office and we will be happy to help you.
