Officer and Commissioner Report

Commissions:

- o Teacher Appreciation: Christine Bay -
- o T-Shirts Nick Shober - There has been a request for another T-Shirt order later in the school year.
- o Health: Ashley Rojas - Red Ribbon Week needs to pick a day to bring a treat into the lunch room if the kids sign the pledge. Wendy will help on Nov. 5th to pass out treats.
- o Reflections: Marlena Reed - We have zero entries at this point. How can we get teachers/parents to encourage students to enter? Can we send another Parent Square next week? There was a brainstorming sheet, fliers sent out, teacher rewards, a slideshow, etc. already. We could offer to help the kids submit their projects at literacy night next week. Looks like 6th grade is requiring their students to submit a project because it aligns with their social studies
- o Jr. Achievement: Sarah Slusher - Jr. Achievement kickoff meeting is set for January.
- o Safety: Brandi Westenskow - Walk to school day volunteers: Ashley Shepherd, Marlena Reed, Diane Osborne, Lisa Smith.
- o Harmony: Julie Weir - There are 58 kids enrolled this year. Festival of trees is Dec 2nd @ 12:55 pm. Performance is December 7th @ 7 pm. HP performance is on the 8th.
- o Hospitality: Esther Baldwin - Village Baker was a success! It came in
- o Family Life: Lisa Smith -
- o Membership/Communications: Alicia Kruger -
- o Fundraiser: Jordan Rogers - 5 people have committed to getting banners for the school. Families First Pediatrics wants to sponsor Donuts with a Grownup in the spring and bring \$500 in donuts along with some volunteers and toothbrushes. There's a martial arts and dance studio that would like to donate a smaller "giveaway" style gift to give. The buddy-a-thon starts at the end of the month. Incentives: Do we want to add any? They will support our efforts in their program.
- o Book Fair: Melanie Morrey/Britney Suddarth -
- o School Spirit/Birthdays: Jessi Simmons -
- o Field Day/Inclusion: Faith Erickson -

Christmas Shop Information: We'll see if we can do it on the stage this year. If we can't, we won't do it. No one is opposed, but no one is itching to be in charge. We would like things to be a little more generic instead of "World's Best Uncle".

Literacy Night is on Monday. Please fill out the Pizza QR code! Bingham Creek Library is coming to help. It's to help parents understand more of the Acadience program and how to support their students at home. Students will watch Toy Story 5. Kids will get extra house points if their parents come.

Mrs. Michaelis gets to teach recorders again! Looking for other options for the years to come. We think it's an awesome skill to be introduced to early in their elementary school career.

Paper Pie Books: We can tack it on to STEM Night. Use the Stage.

WE NEED A NEW PTA PRESIDENT NEXT YEAR!!!!
