

Dear Kindergarten Parents,

We are excited to have 2 opportunities next week to meet with you and your student. The first is our Kindergarten "Meet and Greet" on Tuesday August 25th. An online Sign-up Genius form has been created to allow you to sign up for a time to come in small groups. Only 7 students will be allowed at one time. ONE parent can come in with each child to explore the classroom, create a picture frame, and meet your student's teacher. Please remember to wear a mask. We do ask that only ONE adult and the student come to this meeting, as we need to limit the amount of people entering our school on a daily basis to help keep us all more protected. Each family will be working at their own space to minimize contact and tables will be cleaned between each time slot.

In the days following our Meet and Greet, there will be initial testing for each of our amazing Kindergartners. Sign-ups for this are on the school Skyward website, and appointments will be Wednesday- Friday, August 26-28th; and on Monday, August 30th. These begin at 8:30 am and will proceed every half hour until late afternoon. Please again, remember to wear your mask and only bring the student and ONE adult to this testing appointment as well.

When you arrive for both the "Meet and Greet" and your testing appointment, please enter and exit through the kindergarten playground doors.

For testing appointments, the teacher will come out and bring in your student when she is ready to begin the testing. During testing appointments, we ask that parents remain on the playground, and sit at a table just outside the kindergarten rooms to fill out the necessary beginning of the school year paperwork. It is important to also remember to bring any paperwork you may need to still turn into the office to complete school registration.

We are so excited to meet you and your students, and are anxious to begin our FUN and slightly unprecedented school year. If you have any questions you can contact your child's teacher or the front office.

If you are an online-only student, please bring a backpack with you to take home your learning materials.

Looking forward to meeting you all,

Mrs. Juli Newman
Juliann.Newman@jordandistrict.org

Mrs. Heather Brady
