

# Teacher/Staff Appreciation Week

May 6-10th

**PTA**

*everychild.one voice.*

We love our teachers and staff at Hayden Peak Elementary. The PTA will be showing some extra love this week, and ask that students find a way to say THANK YOU too.

Ideas to show your appreciation:

Make a thank you card, draw a picture, a note from a parent, ask if a teacher needs help, Say THANK YOU. Optional: If you want to give a small gift, we have compiled a list of the teachers favorite things. If there is a staff member not listed that you would like to recognize, please call the office for their favorites.
