3. Jenn Fisher gave us a walk through on digital citizenship and what the school has in place. Student assembly scheduled for beginning of 2023, Ms. Thompson also has been covering internet safety rules for the students. Talked about a potential parent meeting for those interested in learning more about what to be aware of as parents and responsible adults. Jenn talked about key word monitoring that the district has in place for all the devices on their network, i.e. suicide, death, etc.
4. Discussed safe walking routes. Community awareness is always a concern, especially at 7800 S. Erik suggested meeting with the mayor to discuss improvements to the safe walking routes. Flyers could be used also to bring awareness to the parents, so they know where the crossing guards are and the best routes for students to use. Pam takes pictures of flyers to send to parents electronically as well.
5. The meetings on the calendar for this school year are November 4, January 13, April 7.
