

Hayden Peak SCC Meeting

January 17, 2020

Attendance: Tina Lyon, Jennifer Fisher, Cathy Ford, Amy Wilde, Liz Johnson, Regan Stowell, Amy Glaubensklee

1. Safe Walking Routes Presented and Reviewed
 - a. The only proposed change is having the route be along the east side of Grizzly Way heading north to 7800 S. This accommodates the increased foot traffic with the middle schoolers this year who walk on the east side vs. the west side. It also should decrease pedestrian traffic across Grizzly Way at the intersection in front of the school. We hope to have this change for the next school year, instead of January 2021 as is currently proposed.
 - b. Motion of approval by Tina Lyon and seconded by Liz Johnson.
